

Participation in the International Trade Fair “Farnborough International Airshow 2026”

THE PROJECT

Thanks to the support of **PR Lombardia ERDF 2021–2027**, the company is participating in the prestigious international trade fair “**Farnborough International Airshow**”, taking place from 20 to 24 July 2026 in Farnborough, United Kingdom.

This exhibition represents one of the world's leading events for **the aerospace and defence sectors**.

Participation in the event aims to:

- Strengthen the company's international market position
- Promote the latest technological innovations
- Develop new strategic partnerships with leading global industry players

OBJECTIVES AND EXPECTED RESULTS

- ☐ **Internationalisation:**
expand the commercial network in key foreign markets.
- ☐ **Innovation and Visibility:**
present the company's cutting-edge technological solutions.
- ☐ **Networking:**
establish new high value-added commercial and technological collaborations.
